

Killer

- Someone is chosen to be the picker. All the other kids line up facing the wall and should close their eyes.
- The picker goes by and taps each of the kids. He taps each of them once but whomever he picks as the killer he is to tap twice.
- Once everyone is tapped they all turn around (sometimes the killer is given away here because of smiling).
- Everyone begins shaking hands with one another one at a time in a normal shaking manner.
- If you are the killer when you shake hands with people you bend your index finger in and sort of poke the palm of the person's hand you're shaking. If you feel this when you shake someone's hand then you go and shake two more hands (normal shake) and then silently fall to the ground.
- Eventually the killer gets everyone and then the game is over and a new killer gets picked.
